

# Our Lady of Lourdes | Haiti Sponsorship Program

## *Make a difference in the lives of children!*

The 2012-2013 School year was a very weather intensive one with a violent rainy season doing a great deal of damage. We were very pleased to see the impact of the funding and support the Our Lady of Lourdes parish provided to the Our Lady of Fatima parish and schools.

OLOL's generosity helped to fund basic supplies and equipment needed to operate the schools, additional courses for sixth grade students, teachers' training and salaries, and a much needed capital project that provided preventive drainage and channeling of waters along with a retaining wall that was washed out after the hurricane.

There are still children who attend class in tight, unventilated and unsafe corridors because there are not enough classrooms available to house them all. They still rely on OLOF to provide the needed tuition, uniforms, food and school supplies. The need for bright, talented and well educated teachers remains as does the need for further construction and repair.

Now we kindly ask *YOU* as an individual, family or group to help the children of Our Lady of Fatima through a school sponsorship. Your donation will help us to fund these basic necessities. As little as \$5 per month for the next 12 months will make an enormous impact.

Let us continue the good work we have already begun. *Make your pledge and sponsor today.*
