Pope Paul VI invited people of African descent to share their gift of Blackness with the whole Church. This seminar will explore the potential and the challenges of this invitation.

Our reflection and sharing will focus on the following questions:

- What is the gift of Blackness?
- Do we have to choose to be Roman Catholics or Black Catholics?
- How do we already share our gift of Blackness?
- Is there more we can do?
- Can we fully share our Blackness without excluding other people and culture?

Lunch will be provided
