

# St. Vincent de Paul Georgia Food Drive

The 39 St. Vincent de Paul Georgia Client Choice Food Pantries feed thousands of children, families, senior citizens, and individuals every year. People who are struggling to make ends meet rely on the meat, produce, and canned goods that they receive through the SVdP food programs.

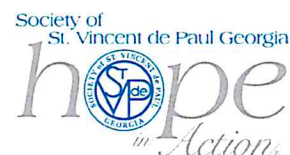

SVdP Georgia relies on generosity from community hosted food drives to keep our pantry shelves stocked. During the food drive, simply bring unexpired, unopened goods to the SVdP Georgia food barrels. Your donation will go directly to families and individuals in need. A list of our most needed items can be found on the back of this flyer.
