

Calling All Youth Lectors!

“A century of witness, a future of commitment” is Lourdes’ motto. Will you make a commitment to proclaim a reading at our monthly youth mass?

If you can read, you are qualified to do it! Here’s how it works:

- You are scheduled weeks in advance, with plenty of time to prepare.
- We’ll provide you the readings so you can practice on your own.
- Then you’ll meet with a youth lector guide, either by phone or in person, to work on the reading. You’ll get helpful tips to make you a great lector.
- You’ll meet with a youth lector guide before mass to review where you go and when you go there during mass, and to practice one final time.
- You will proclaim your reading, and it will be worthy!
