# Discernment of *Spirits* May 16

*Discern the nuance of the Spirit's movement.*

**Andy Otto,**  
Retreat Director

In this day of reflection we will examine Ignatius' perspective on discernment and the nuance of the Spirit's movement as a way to better hear the voice of God always nudging us toward life and peace.

In his Apostolic Exhortation, *Gaudete et Exsultate*, Pope Francis gives a nod to Saint Ignatius' "Rules for the Discernment of Spirits", a helpful guide to discerning the movements of God in our daily lives, calling us to deeper holiness, joy, and life.
