About Lyke House

Lyke House – The Catholic Center at AUC provides a home away from home for our students at Clark Atlanta University, Spelman College, Morehouse College, Morehouse School of Medicine, and the Interdenominational Theological Center. Lyke House is a living symbol of heritage that gives students the space to pray, study, play, and discover what God is calling them to do in their lives at home, school, work, church, and in the community. It is a place where young Catholic students and their friends come together to *learn* their faith, *live* their faith, and *share* their faith with others. They learn how to do ministry in the Church and participate weekly in Liturgical Ministry with the goal of Christian stewardship — a goal that empowers them to be anchored in their faith both now and the future.

The mission of Lyke House is to establish spiritual, academic, and faith development for the Atlanta University Center family with a spirit of Christian love and service in the Catholic tradition of Campus Ministry.

The main goal of Lyke House is to achieve the full, conscious, and active participation of the students in their worship, civic, social, and community responsibilities through the lens of their Catholic faith. To achieve this, Lyke House strives to relate the worship experience to students in ways that are culturally inclusive, hospitable, and inspirational. We are inclusive and welcoming to all students — Christians and non-Christians — who may want to experience fellowship or join our community.

About Student Ministries

The [Ministry Assistant Program](#) at Lyke House is designed to prepare students for leadership roles within the Church while they are in school and after their graduation. The Ministry Assistants add tremendously to the life of the universal church and local Catholic communities through their works.

The [Bowman Scholar Program](#) is designed for music majors who are invited to help develop the music program at the Catholic Center in the spirit of Sister Thea Bowman, an African American Franciscan Sister who taught and evangelized through Christian music. One of the main goals of the Bowman Scholar program is to create the foundation for training musicians and artists to serve Catholic parishes across the nation and around the world.

Wednesday, April 17, 7:30pm
Saint Ignatius Chapel

Join us for a very special Wednesday Evening of Holy Week in Saint Ignatius Chapel. While reflecting on Scripture and Song, candles are gradually extinguished until the chapel is in darkness. All are able to delve more deeply into the mystery of Christ's passion and death, thereby preparing our hearts ever more fully for his triumph over darkness as the Light of the World. This free event is offered by the Ignatius Hosue Pastoral Team.
