

Envisioning Our Future

News and Updates from BUILD Group

July 2019

Dear Lourdes Family:

Essential to our faith is the call to serve God and one another. Serving enables us to:

- Experience His power
- Share your gifts from God
- Draw us into a connected community

The needs of our community are one of the many reasons why we need this expansion. By expanding the space for our ministries and programs, we will be able to better serve others and live our faith.

As we begin executing the vision of building a new church (phase 1 of a multi-phase master plan), we invite you to imagine the possibilities for how we can be of greater service to God, each other, and the broader community. For example, imagine if we had the space to have a food pantry or clothing closet for those in need of the essentials. What else can you imagine?

Peace and blessings,

(BUILD Group)

Building Unity In Lourdes Development

Additional Updates

Have you checked out www.lourdesatlanta.org/ourfuture lately? We have made a few additions:

- Envisioning Our Future FAQs can be viewed in its entirety.
- Do you have a thought or idea you would like to share with BUILD Group? We have added a "Contact Us" form and we will respond within 1 week.

Plan for expansion

Together we can build our future.

Bold and inspiring expansion. See for yourself.
