Envisioning Our Future

News and Updates cont.

Envisioning Our Future Design Sessions

Thank you to all who were able to attend the first and/or second design sessions. Your participation and suggestions were extremely valuable to shaping our worship experience.

The third and final Envisioning Our Future Design Session will be on **Saturday February 1, 2020** at 6:30 p.m. In celebration of the Envisioning Our Future series, wine and cheese will be served!

More Parking Progress

Our dream of more parking is another step closer to a reality! Waldo's, the mixed-use development on the property bordered by Boulevard, Daniel, and Gartrell Streets, had a groundbreaking ceremony on November 12, 2019. The development will include a parking structure which includes 200 spaces for Lourdes' use on Saturday nights and Sundays.
