News from the Haiti Ministry In late 2012 flooding due to heavy storms damaged the classrooms of one of the schools of Our Lady of Fatima (OLF), our Sister Parish in Haiti. A year later we are pleased to announce the completion of a construction project financed with Our Lady of Lourdes tithing funds to build a retaining wall to prevent similar flooding of the school in the future. We thank you for your continued support of our Ministry's mission to advance the education of the children of our brothers and sisters of OLF. God bless!

Cristo Rey Atlanta Jesuit High School On the weekend of November 23/24 Cristo Rey Atlanta Jesuit High School will be delivering the homily and answering questions after all masses. November is National Lung Cancer Awareness Month Lung Cancer is a tragic disease that takes a terrible toll on those with the disease, as well as their loved ones. Lung cancer is the leading cancer killer in both men and women in the United States. In fact, more people die from lung cancer than any other type of cancer. The American Lung Association has long been the leader in the fight against lung cancer and is taking new steps to help both patients and their families. Quitting smoking is the single most important step a smoker can take to reduce their risk for lung cancer. Quitting can be tough but smokers don't have to quit alone. Smoking cessation programs have helped smokers quit for nearly 30 years. Freedom From Smoking & Not-On-Tobacco are two programs available to help adult and teen smokers quit for good. The Quitter in You program is designed to help people who have tried to quit before see each attempt as a step to success, not a failure. Speak with your Primary care Physician regarding your risks for lung cancer and lung disease.
