UPDATE ON STEPHEN'S MINISTRY

WHAT EXACTLY IS THIS STEPHEN MINISTRY WE'VE BEEN HEARING ABOUT?

Stephen Ministry is lay caring ministry. Stephen Ministers are not counselors or therapists; rather, they are caring Christian friends who can offer a listening ear to help others through the tough times in life. Stephen Ministers are trained and supervised in their ministry. If you are going through a tough time and could use a caring friend.....

WHAT DO STEPHEN MINISTERS DO?

Stephen Ministers offer caring Christian friendship and concerned listening to people when they need it most.

A FRIEND IN NEED

In times of trouble, we look to God and caring Christian friends to listen to us while we work through our feelings. A Stephen Minister can be such a friend, either to you or to someone you know. These Stephen Ministers are committed to providing Christian care for others experiencing many different needs. If you or someone you know could benefit from the trained, caring presence and listening ear of a Stephen Minister.....

WHAT HAPPENS WHEN YOU ASK FOR HELP FROM A STEPHEN MINISTER?

When you ask for help from a Stephen Minister, a Stephen Leader will contact you to talk more about Stephen Ministry and what it can mean to you. If your needs can be best served by a Stephen Minister, you will be matched with someone who will support you through this tough time. **Confidentiality** is a **TOP** priority for Stephen Ministers. You do not need to be concerned that other people will discover what you talk about with your Stephen Minister.

WE ALL KNOW SOMEONE.....

Someone in crisis who doesn't know where to turn.....Someone who is tense, upset, worn out – needing someone to talk with.....Someone to care. **You'd like to help. But how? There are three easy steps.**

1. Listen and care for your friend in your own relationship together.
2. Ask your friend for permission to share his or her need with someone who can help. Be sure to tell your friend that all information will be kept **confidential**.
3. Once permission is given, report his or her need as promptly as possible.
