St. Fillan Abbot of a Monastery in Fife

Fillan, son of Feriach and St. Kentigerna, was also known as Foelan. He became a monk in his youth and accompanied his mother from Ireland to Scotland where he lived as a hermit near St. Andrew's monastery for mai years, and then was elected abbot. He later resigned and resumed his eremitical life at Glendochart, Pertchire, where he built a church and was reknowned for his miracles. Various legends attribute the most extravagant mirac to him, such as the one in which his prayers caused a wolf that had killed the ox he was using to drag materials to the church he was building, to take the ox's place. Fillan died on January 19.

Simon's Call the AIDS Ministry at Lourdes, is holding its annual "Honor Thy Father" collection for the next two weekends. We are collecting household supplies for donation to Living Room, an organization which places formerly homeless persons with HIV/AIDS into affordable housing. The recipients are in need of move-in supplies (mops, brooms, dishes, paper products, cleaning/laundry supplies, etc.) Just think of anything one might need to move into a new apartment. Collection baskets are at each church entrance.

Thank you for your generosity.

Lourdes Book Club for a book discussion on Saturday, July 26, 2014 at Panera at Emory Village at 7 p.m. Our book selection is "In The Shadow of the Banyan" by Vaddey Ratner. For seven-year-old Raami, the shattering end of childhood begins with the footsteps of her father returning home in the early dawn hours bringing details of the civil war that has overwhelmed the streets of Phnom Penh, Cambodia's capital. Soon the family's world of carefully guarded royal privilege is swept up in the chaos of revolution and forced exodus. June is Eye Safety Month - Most people do not know there are common objects in the home that can cause serious eye injuries to children. Watching children is the best precaution, but there are other steps you can take to ensure their safety and wellbeing. Teaching kid's eye safety is one way. Using eye protection for risky tasks is another. Adults who wear eye protection are teaching a valuable lesson. For additional information go to: Prevent Blindness in America www.preventblindness.org.
