St. Fillan Abbot of a Monastery in Fife

Fillan, son of Feriach and St. Kentigerna, was also known as Foelan. He became a monk in his youth and accompanied his mother from Ireland to Scotland where he lived as a hermit near St. Andrew's monastery for many years, and then was elected abbot. He later resigned and resumed his eremitical life at Glendochart, Perthshire, where he built a church and was reknowned for his miracles. Various legends attribute the most extravagant miracles to him, such as the one in which his prayers caused a wolf that had killed the ox he was using to drag materials to the church he was building, to take the ox's place. Fillan died on January 19.

National Immunization Awareness Month is the perfect time to promote immunizations and remind family, friends, and coworkers to get caught up on their shots. Immunizations (or vaccinations) aren't just for babies and young kids. We all need shots to help protect us from serious diseases and illness. Everyone age 6 months and older needs a seasonal flu shot every year. Here are some other shots people need at different ages: Young children: Children under age 6 get a series of shots to protect against measles, polio, chicken pox, and hepatitis. Pre-teens and teens: ✓ Pre-teens need shots at age 11 or 12 to help protect them from tetanus, diphtheria, whooping cough, meningitis, and HPV (human papillomavirus). ✓ Teens need a booster shot at age 16 to help protect them from meningitis. Adults: ✓ All adults need a booster shot every 10 years to protect against tetanus and diphtheria. ✓ People age 65 or older need a one-time pneumonia shot. ✓ Talk to your doctor or nurse about which shots you and your family need.

Join the Lourdes Book Club for a book discussion on Saturday, October 25, 2014 at Panera at Emory Village at 7 p.m. Our book selection is "The House of the Spirit: A Novel by Isabel Allende". In one of the most important and beloved Latin American works of the twentieth century, Allende weaves a luminous tapestry of three generations of the Trueba family, revealing both triumphs and tragedies. The major characters in the book come from two opposing classes: the landed aristocracy and the peasants. They are also all women who work in different and subtle ways to assert their rights. The House of the Spirits is an enthralling saga that spans decades and lives, twining the personal and the political into an epic novel of love, magic, and fate. "Extraordinary . . . powerful . . . sharply observant, witty and eloquent."—The New York Times. For more information, please contact Carole Lacour at Lared111@aol.com or (404) 629-0878
