The purpose of the 2017 "Walk by Faith" 3K Walkathon is two fold:

Vision To Learn (VTL) is a non-profit organization that provides free eye exams and glasses to children in low-income communities. Founded in 2012, VTL's mission is to partner with schools and community organizations to address a lack of access to needed vision care for elementary, middle, and high school aged youth and raise awareness. The solution is simple – we bring the clinic and glasses to the youth. Visit www.visiontolearn.org for more information.
