Please join the **LOURDES BOOK CLUB** for a book discussion on Saturday, October 27, at Panera, Emory Village 7PM for dinner with the discussion to begin at 7:45PM. Our book selection is: ***Eager to Love: The Alternative Way of Francis of Assisi*** by Richard Rohr. ***From Center for Action and Contemplation Bookstore website:*** Francis of Assisi is one of the most beloved of all saints. Both traditional and entirely revolutionary, he was a paradox. Richard Rohr describes how Francis found an "alternative way" to follow Jesus, one that disregarded power and privilege and held fast to Gospel wisdom of poverty and simplicity. Richard Rohr introduces us to the joyful Francis and his companion Clare who knew the essential truth about God, that there is no separation between matter and spirit. Knowing our true identity—one with God—frees us from fear of death and allows us to let go of our small self to live more fully as embodied love. *Can't join us for the book discussion on October 27, but want to contribute to our conversation, email Carole Lacour at carole.lacour30@gmail.com with comments, etc. or call 770-951-3417.*

OCTOBER IS BREAST CANCER AWARENESS MONTH: This year in America, more than 212,000 women will be diagnosed with breast cancer. In addition, 2,000 men are also diagnosed. Early stages of breast cancer generally have no symptoms. Detected early, survival rate exceeds 95%. The Health Promotions Ministry reminds everyone mammograms are among the best early detection methods. We recommend annual screenings, by the age of 40 and monthly self breast examinations.
