THE BLACK CATHOLIC REVOLUTION AND ITS REVERBERATIONS (50 YEARS LATER) presented by Dr. Matthew Cressler, Thursday February 7, at 7PM, Mulhern Hall, St Thomas More Catholic Church. Two weeks after the assassination of Martin Luther King in 1968, Black priests declared the Catholic Church in the United States "a white racist institution." FEBRUARY IS HEART HEALTH AWARENESS MONTH and an important time to rededicate ourselves to fighting this prevalent health issue. Heart disease is especially deadly among African Americans who tend to get heart disease at a younger age, have a higher rate of first-time heart attack at all ages, are more likely to die of heart disease, and are more prone to sudden cardiac death. Choose heart smart foods, emphasizing vegetables, fruits, whole grains, and low fat dairy. Learn your heart disease risk factors, from your primary care physician, and do your best to lower them; including keeping your blood pressure, cholesterol and blood sugar under control. - *From The Health Promotions Ministry*.
