VOLUNTEER MENTORS NEEDED! Cristo Rey Atlanta Jesuit High School is looking for volunteers to mentor incoming 9th grade students this school year. CRAJHS is a Catholic, college preparatory high school for low income students. Mentoring is a wonderful opportunity for college graduates and corporate professionals to make a real impact in the life of a student who may be the first in their immediate family who plans to attend college after graduating high school. Mentors are asked to commit to one full school year, with the hopes that the relationship will continue for the student's full high school education. Mentors should plan to keep in contact by text or email once a week, meet in person once every 4-6 weeks, and attend school sponsored extracurricular activities in which their student participates. For more information or to apply to be a mentor, please look at the Cristo Rey website, <http://www.cristoreyatlanta.org/Volunteer/Mentor-a-Student> or contact Mentor Coordinator, Ann Curvin at acurvin@cristoreyatlanta.org.

LECTOR MINISTRY CONVOCATION 2019 - Saturday, October 5 from 10AM - Noon. ALL Lectors and those wanting to become lectors are required to attend. This will be the **only lector session** for the month of October. Please call the church office to **RSVP no later than Friday September 20.**

JULY IS UV SAFETY MONTH: Who is at risk from eye damage from the sun? Yes, everyone (including children) is at risk for eye damage from UV radiation that can lead to vision loss. Any factor that increases the amount of time you spend in the sun will increase your risk. People who work or play in the sun for long periods of time are at the greatest risk. The risk of sun related eye problems is higher for people who: spend long hours in the sun, have had cataract surgery*, have certain retina disorders or are on certain medicines, such as tetracycline, sulfa drugs, diuretics and tranquilizers that increase the eye's sensitivity to light.

*If you have had cataract surgery, you may be more at risk of injury from sunlight unless the artificial lens you received during surgery absorbs UV rays. Please consult your Ophthalmologist or Optometrist, if you have concerns. - **From The Health Promotions Ministry.**

Thoughts on Stewardship

So often we hold on to possessions like a toddler who has just learned the word mine. A good steward recognizes that nothing is truly ours – we're only caretakers. When we accept this, the burden of holding on to our possessions is lifted.
