

Envisioning Our Future

News and Updates

Dear Lourdes Family:

We are excited to announce the next important step for our vision of building a new church in 2021!

In 2016, Lourdes partnered with a fundraising firm to conduct a survey around our future needs. The responses indicated a great need for additional space that could be utilized for ministries, meetings, Sunday school, and storage. In order to create the space needed and desired, a new church building is imperative to the overall plan.

Because Lourdes has changed in the last three years (i.e., new individuals/families have joined the parish), we would like to enlist your help in updating our feasibility study.

This process has already involved conducting a number of personal, confidential interviews with a sampling of members.

Now, we are inviting all parishioners to participate in this study by going to the following webpage to read about the proposed project and complete a brief, online survey questionnaire. Individual responses on these survey forms are encouraged but we also ask that only one survey per household be completed. All survey responses will be strictly confidential and will only be seen and tabulated by a few members of BUILD Group. Here is the link to information about the project and the online survey questionnaire.

<https://www.surveymonkey.com/r/25Lourdes>

To be included in our analysis and report, all responses must be received by no later than **Sunday, September 22, 2019**. So please plan to participate by or before then.

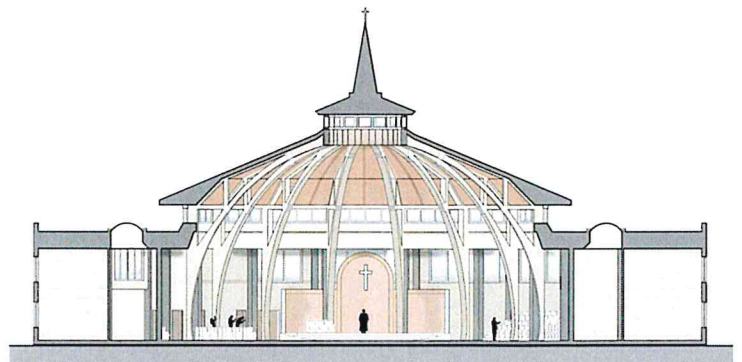

We value your input and feedback as we shape the future of Lourdes together.

You may also view additional information at lourdesatlanta.org/ourfuture. May God guide us at this important moment in our history.

Save the Date! Sunday September 29th
11:30a – 1:30p

Be a part of shaping the future of Lourdes in this interactive and engaging session as we begin to review design elements for the new church. Your input and participation are essential to our success.

Saturday and Sunday!!
