The Wonders of the Healing Power of Jesus

March 13-15

Jesus gave sight to the blind, opened ears for the deaf, cured the leper, raised the cripple and stopped the blood-flow of the afflicted woman. This retreat will look contemplatively at the gospel stories of Jesus, the healer. Using your imagination, see the expectation and the fears of those who seek to be cured. Using your imagination again, see the love and compassion of Jesus as he summons forth the healing power of God.
