Dear Lourdes Family:

We have asked a lot of you since resuming Mass in person and I appreciate all that you have done. I am pleased to announce that we are taking another step in reducing some of our Covid protocols. After careful consideration, **we will no longer require registration for Mass.** This is effective immediately.

As one body we are called to be responsible to and for one another. *To minimize risk, to ourselves and each other, we will continue to require masks at Mass.*

I appreciate all the sacrifices you have made during this pandemic. I ask that you continue to be diligent about keeping yourself and each other in good health with vaccinations and boosters.

With the love of the Risen Christ,

Father Jeffery
