Thoughts on Stewardship

One of the tenants of living a grateful and generous lifestyle is giving without expecting anything in return. It is important that we not only grow, nurture, and share our gifts; but that we also teach our children and encourage others to do the same. This is the communal aspect of our Catholic faith. We are the "Body of Christ." We are called to be dependent on each other and not live in isolation.

Please pray for our sick and shut in members:
