### Outcomes

- Leave with the tools and confidence to increase conversations on race
- See how to recover when conversations fall apart

### What Makes This Unique

- No debating current events or studying the history of racism
- Not here to change anyone's mind but your own
- Looking inside reveals how personal shifts can take place

### Testimonials

"Peaceful and productive without debate or shaming."

"This approach takes the pressure off so I can start the conversation."

"Great middle ground between agitation and comfort for corporate environments."
