

## Bulletin Announcements

September 6 - 7

1. **Lourdes Live & Connected.** We invite all of our livestreamers to a virtual gathering on **Thursday, September 18 at 7:00p ET.** This is a chance to meet with Fr. Jeffery and fellow streamers, get to know the parish in new ways, and share in fellowship—right from your home. No matter where you worship from, you are an important part of our Lourdes community, and we can't wait to connect with you! Sign up at [bit.ly/LourdesStreamers](http://bit.ly/LourdesStreamers).
2. **Honoring Our History - Building Our Future** has raised over \$5 million in pledges from more than 300 families! Our goal is \$6 million, and we prayerfully ask for everybody's participation to get us across the finish line. Until September 15, every pledge of \$2,500 or more will be **matched dollar for dollar—up to \$125,000!** That means our gift will have **double the impact.**

But that's not all—every household that has made or will make a pledge of at least \$2,500 by **September 15** will also be entered into a raffle for a one-of-a-kind **handmade quilt crafted with beautiful African fabrics.** The quilt is displayed at the back of the church. The raffle drawing will take place at Mass on **Sunday, September 21.** You can make a pledge online at [LourdesAtlanta.org](http://LourdesAtlanta.org).
